### Supplemental Report Investigative Division

Case # 2001-08795 12/12/01

Victim: Robert Fingerhut (Homicide Scene/Investigation)  
254 Fonderlac, Howland Twp.

At approximately 0012 Hrs. on 12/12/01, this officer was contacted at home by Det. Sgt. Paul Monroe of the Howland Township Police Department to assist with photographing a crime scene. This officer responded and took photographs of the entire scene (inside and out). I assisted Dr. Germaniuk with photographing and removal of the body. This officer volunteered to sketch the crime scene. One possible bloodstain was swabbed from the ceramic floor in the front door hallway and taken as evidence. This officer requested that Howland P.D. hold the scene so that myself and Det. Sgt. Pizzulo could return for further crime scene processing.

Det. Sgt. Pizzulo was unavailable for work this day. This officer returned at approximately 1400 Hrs. on 12/12/01 to collect additional bloodstain evidence and possible fingerprint evidence. Selected points in the kitchen and garage were processed for prints, including: the counter area near the body, some cups and glasses from the counter, and the screen door and man door between the kitchen/garage. Four bloodstains were taken from different locations as evidence. A placemat with a partial fingerprint in blood was taken as evidence and was located hanging on the inside of the kitchen/garage door.

On 12/13/01, Det. Sgt. Pizzulo accompanied this officer back to the scene. Additional photographs were taken of the scene. Four additional bloodstains were taken from the garage floor. Nothing further to report at this time.

I'm not sure of the date, day of the week, whether it was a few days or a week after my brother Nate Jackson got out of jail, but, I was about to leave to go Christmas shopping & I walked out the door & started onto the porch & Nate was coming up the steps. Nate had on some jeans, he was well dressed, he had on a black coat, I'm not sure if it was leather, I believe it was a black leather coat, he was bundled up, so I'm not sure exactly what kind of shirt or shoes he was wearing. It was still daylight, it was sometime in the early afternoon & when we got back it was getting dark. Nate told me he was there because he wanted to see the kids, I told him I was going shopping for the kids, (the kids were going with me), so Nate rolled with me to go shopping. Nate rode in the back seat of the car with the kids & stayed in the car with them while I did the shopping with my friend Tanisha, (whose since moved away). <sup>FSD</sup> You I made a couple different stops, we went to a couple different stores then we went back to my house, (the stores we went to was all Boardman stores).

When we got home, Nate came in the house with us & while I was putting up Christmas decorations, <sup>FSD</sup> Nate was sitting on the couch in the living room & the kids were playing in there too. Nate asked me if <sup>FSD</sup> I wanted him to help me out with anything, (the decorations), the kids were working on the Christmas tree & we was putting lights up around the inside of the windows. Nate asked me if I had a <sup>FSD</sup> rag, I gave him a rag, I think it was a rag or gauze he asked me for, they was in the livingroom & they broke a vase or something, so I gave Nate, he went into the bathroom, there was a mess in the livingroom from the vase, I don't remember if I gave Nate a rag or both, I gave him both & he went into the bathroom. I had gauze in the house because I had surgery recently. Nate came out of the bathroom, he never took his jacket off cause it was cold in my house, so I never saw his hand.
